

Performance, quality and choice

The choice is yours. SolarBright daylighting systems give you exceptional performance plus a unique range of functional options.

Prismax®

Most widely used diffusion system in the lighting industry. Excellent efficiency in light transmission and glare reduction.

Warm

New and modern diffuser with a matt satin surface which produces a warm and soft light.

Auroramax®

The new Fresnel micro-optic lens is engineered to transmit pure natural light evenly regardless of the sun angle. Auroramax® the ultimate diffusion lens.

Add style and elegance with stylish trims

White

Our standard décor trim is the most acquired feature that blends with majority of ceilings.

Glass Overlay

Add class to your diffuser with a glass look feature.

Stainless Steel

Designed to match other stainless steel light fixtures on your ceiling.

Glass Eclipse

Designed to add a touch of elegance with a glass look.

Domes

Solarlens Dome®

The original dome with optic lens.

Butterfly Dome

Clear dome with butterfly lens.

Ingenuity meets convenience

Combo Skylight & Ventilation

The new combo add-on ventilation kit offers the convenience of skylight and ventilation in one. This modern and stylish feature is perfect for bathrooms, laundries and other rooms that require daylight and ventilation.

Light Dimmer with Remote

Control and adjust the amount of natural light with the touch of a button

Electric Light Inside Tube

Add electric light to your skylight for night use.
